PROFESSIONAL BASIC LAMB

COMPLETE AND BALANCED FOOD FOR ADULT DOGS OF ALL BREEDS

MSM PROFESSIONAL BASIC LAMB is a complete and balanced food for adult dogs. Rich in lamb, an excellent source of high quality protein and essential amino acids, important for your dog. Suitable for adult dogs of all breeds and sizes, it contains Omega 6 and Omega 3 fatty acids to keep their coats shiny and bright, and vitamins and minerals to provide them with all the nourishment they need.

Our exclusive "Triple layer" croquette foresees different cooking times for the different raw materials in order to obtain a high digestibility of the starches. In addition, the cold mixing of animal proteins, minerals and vitamins, preserves at best their nutritional and organoleptic characteristics, avoiding to submit these ingredients to a further thermal treatment.
