# PROFESSIONAL BASIC DUCK

COMPLETE AND BALANCED FOOD FOR ADULT DOGS OF ALL BREEDS

**MSM PROFESSIONAL BASIC DUCK** is a complete and balanced food for adult dogs rich in duck, an alternative source of protein, to offer them an unconventional, appetizing and nutritious meal. Suitable for adult dogs of all sizes and breeds, it contains Omega 3 and Omega 6 fatty acids to keep their coat shiny and bright and vitamins and minerals to provide them with all the nourishment they need.

Our exclusive "Triple layer" croquette foresees different cooking times for the different raw materials in order to obtain a high digestibility of the starches. In addition, the cold mixing of animal proteins, minerals and vitamins, preserves at best their nutritional and organoleptic characteristics, avoiding to submit these ingredients to a further thermal treatment.
