PROFESSIONAL PUPPY

**COMPLETE AND BALANCED FOOD FOR PUPPIES
OF ALL BREEDS**

MSM PROFESSIONAL PUPPY is a complete, balanced food formulated specifically to aid growth in puppies of all sizes from weaning up to the age of one year. Contains linseed oil and cod liver oil providing Omega 3 fatty acids to promote optimal retinal development in puppies and Omega 6 fatty acids for healthy skin and coat. Contains Choline Chloride to promote absorption of fats and prevent excess fat deposits in the liver. Contains condroitin, glucosamine and MSM (Methylsulfonylmethane) for healthy joint and bone growth.

Our exclusive triple-layer kibble is made with different cooking times for different materials for easily digestible starches. Moreover, animal proteins, minerals and vitamins are blended cold to preserve all their nutritional and organoleptic qualities, without submitting ingredients to an additional heat treatment.
